## Character Virtues

This month's virtue is **COURAGE**. Staff will encourage students to demonstrate character traits of the virtue of Courage through their daily activities at school. Each month, students who exemplify the virtue will receive a certificate as well as be part of a group photo that will be displayed in the school on our new Catholic Virtues Wall.

## Holy Sacraments

Preparation for Reconciliation & First Communion (Gr. 2) and Confirmation (Gr.7) has begun.

**Students celebrating these sacraments must register with St. Peter's Church.** Notifications for meetings will be coming from the Parish through Sunday bulletins. Please watch for special notices.

## School Dress Code

San Marco is a Dress Code School. We appreciate your support in encouraging your child(ren) to be in full dress code while at school. The SDC is a code and not a uniform. It is a choice of designated colours and styles that can be purchased at any cost. Please note, the SDC does not apply to footwear, outerwear and gym apparel. The components of San Marco's SDC are as follows:

**Bottoms:** Dark bottoms to include black or navy blue only, solid colours only, any brand logo to be smaller than a dollar coin ("Loonie"). Includes: pants, athletic pants (Adidas white stripes acceptable), yoga pants, cargo pants, walking shorts, capri pants, skorts (skirts with shorts sewn inside). No jeans or denim of any kind.

**Tops:** to include white, navy, grey, maroon. Solid colours only. Any brand logo to be smaller than a dollar coin ("Loonie"). Includes: shirts, blouses, t-shirts, long sleeve t-shirts, golf shirts, turtle necks, sweaters, sweater vests, cardigans, pullovers, sweatshirt and hoodies.

**Dresses:** to include white, navy, grey, maroon. Solid colours only. Any brand logo to be smaller than a dollar coin ("Loonie"). Includes polo dress, uniform jumpers.

**Spirit Wear:** In addition to the items listed above, Spirit Wear with "San Marco Lions" will be part of the SDC as an option.

## Emergency & Freedom of Information

Emergency and Freedom of Information Forms have been sent home with each child. Please ensure that the information on the Emergency form is correct (make any necessary changes right on the form), sign, date and return it to school as soon as possible. The Freedom of Information form must also be signed, dated and returned to school as soon as possible. It is very important that each student has these forms on file.

## Catholic School Council (CSC)

## Traffic Safety & LOOP

All drivers are asked please slow down and continue to drive with great caution near the school.

**A few friendly reminders:** should you decide to use the bus loop in front of the school, it is understood that you cannot park your car or leave it unattended at any time. Please note you cannot walk your child to the school yard if you are using this loop.

Students who use this loop will then make their way to the back of the school using only the sidewalk/path on either end of the loop. They are not allowed to go through the school. Students/pedestrians must NEVER cut through the parking lot as this is unsafe and are asked to use the sidewalks and paths, whenever possible.

**Drivers are reminded to continue to be vigilant and cautious of students who are crossing the sidewalk on either side of the loop and to obey all traffic/safety signs clearly displayed as well as the STOP sign which is located at the end of the loop.**

Please do not pass vehicles that are unloading students as this poses a serious safety concern. Treat it like a "drive thru". Please move your vehicle as close as you can to the stop sign, rather than stopping in front of the doors when unloading your child **even if there are no cars in front of you.** This will help prevent any backlog of vehicles that spill onto the street waiting to come in.

We are asking all parents who drive/accompany their children to school to park their cars in a safe location and use sidewalks and walking paths when entering the school grounds.

We need your collective cooperation to make student safety **A PRIORITY**. **Together we can make our school community safe for everyone. Our sincere thanks to all for your continued cooperation and support. Thank you.**

## Reporting Student Absences/Safe Arrival

The Safe Arrival Program allows parents to report student absences for the current **day prior to bell time which is 8:50 a.m.**, as well as future absences via the internet or telephone. The Safe Arrival Phone Number is **1-855-856-7862** and the Safe Arrival Parent Portal website is:

[Yorkcdsb.schoolconnects.com](http://Yorkcdsb.schoolconnects.com)

Both methods are available 24 hours a day, 7 days a week. Please be aware that if you do not report your child's absence you will receive automated phone calls and emails requesting your confirmation that you are aware of your child's absence and to provide an explanation for the absence.

## Visitors to the School

We welcome visitors to our school and we ask your support with the following procedures:

1. If you wish to speak with a teacher, kindly schedule an appointment. Teachers want to communicate with you but this is not possible or practical during morning entry or during class time. The teacher's focus and attention must always be on student safety.
2. Staff and visitors are asked to access the building through the front doors and must report to the main office. All doors will remain locked for security reasons and for the safety of our students.
3. Visitors must sign in at the office and wear a visible badge that identifies them as visitors.

## Pediculosis

"The York Catholic District School Board recognizes concerns related to pediculosis (head lice) at the school and community level. Pediculosis (head lice) are not a public hazard, as they do not cause illness, but they are a nuisance. To prevent pediculosis (head lice) from becoming a problem at our school we all need to work together. Please check your child's head on a regular basis for lice or nits. If you find lice or nits, you must contact the office so that we can notify other parents to keep a special watch for any signs of head lice.

A student's readmission to school is contingent upon the Parent/Guardian submitting a completed and signed "*Pediculosis Treatment Form*" communicating to the Principal that treatment for pediculosis (head lice) has been administered.

More information on the identification, treatment and prevention of pediculosis (head lice) from the Canadian Pediatric Society (<http://www.caringforkids.cps.ca/handouts/headlice>) and Toronto Public Health ([toronto.ca/health](http://toronto.ca/health)) is available on the school's website.

## Anaphylaxis

We will continue to take a proactive approach to make our school a safe environment for our students with life-threatening allergies. Staff have been trained regarding administration of the Epi-Pen and in recognizing reactions/symptoms. Because anaphylaxis can be life-threatening, our entire school is allergy aware. Students will not be permitted to share or distribute snacks. In accordance with our School Allergy Awareness Plan, please do not send any snacks to be shared for celebrations, special days (e.g. Valentine's, Christmas, etc. ) including birthdays. Please help us to keep San Marco Allergy Aware and Nut-Safe by providing snacks and lunches for your child that do not contain any traces of nuts or nut products and that are made in a nut free facility.

**Thank you for your continued cooperation in this**

## Medication

If your child requires medication (prescribed by a physician), please notify the school and complete the necessary S16 form (available at the office). All medication must be sent to the office for safekeeping. Please note that medication cannot be administered by Administration without completing the necessary forms. All medication must be sent to the office for safekeeping.

## Policy 206: Protection of Students with Asthma

In accordance with the *Act to Protect Pupils with Asthma* (Ryan's Law: Ensuring Asthma Friendly Schools, 2015) the Board approved a new policy # 206: *Protection of Students with Asthma* at its June 21<sup>st</sup> Board Meeting. The York Catholic District School Board recognizes that there are some students within the school system who have a diagnosis of asthma which could be life threatening. The York Catholic District School Board also recognizes that asthma management is a shared responsibility among students, parents, caregivers and the entire school community.

It is the responsibility of parent(s)/guardian(s) to advise the school immediately upon registration and/or when in receipt of a diagnosis of asthma. It is also the responsibility of parent(s)/guardian(s) to ensure that all medical information pertinent to their child's diagnosis of asthma is always current. If your child has a diagnosis of asthma please contact the school office immediately so that the appropriate forms are completed and school records are up to date in accordance with Policy 206. Thank you for your immediate attention to this request and your ongoing support in the shared responsibility for asthma management in our school. Please refer to the Board's website for more information related to Policy 206.

## Curriculum Night

Please join us on **Thursday, September 14<sup>th</sup> from 6:30 to 7:30 p.m. for our Open House and Curriculum Night.** This will be an opportunity to meet your child's teacher(s) and to learn about your child's program and expectations for this year. We look forward to seeing you!

## San Marco Library News

Welcome back for another exciting school year. Library book exchange will commence the third week of September. Once again, I will be at school on Tuesdays, Thursdays and alternate Fridays. This promises to be fun-filled year with many wonderful activities promoting literacy and learning. Please continue to encourage your child(ren) to return all library books on time so that they can explore various titles and genres. Any books that are still overdue from June must be returned or paid for in order to re-activate lending privileges. The fees are either \$5 or \$10 depending on the book type and all fees go to replacing the lost books. Thank you for your continued support in helping to make our library a wonderful place to learn. Looking forward to another fun-filled year.

## SAN MARCO C.E.S. IS AN ALLERGY AWARE SCHOOL

San Marco C.E.S. is **an allergy-aware school and a nut and peanut-aware school.** We have several students with allergies to peanuts and nuts. A few are so severe that they may react to something as simple as nut residue on a carpet or desk. Please ensure that all snacks and lunches are **free of nut products** and please read labels carefully. Labels can be misleading. Please check carefully and ensure that products are both peanut and tree nut free. Please continue to refrain from bringing in class treats for celebrations. A non-edible treat (pencils, erasers, a book for the class) is welcomed.

In addition, your child's class may have students with severe allergies to other products such as fish, eggs, or sesame seeds, etc. In these cases, parents have already received two letters indicating the specific allergy in the classroom. We would ask that you kindly not bring any foods that your child's classmate(s) have severe allergies to. In this way, we can work together to keep everyone safe. Thank you very much for your continued support and vigilance in this area. It is very much appreciated.
