San Marco CES – Virtual Curriculum Night Tuesday, September 21, 2021 – 7:00 – 8:00 p.m.

Dear Parents/Guardians,

We are pleased to let you know that we will be holding a **Virtual Curriculum Night** on **Tuesday, September 21, 2021 from 7:00 - 8:00 pm**. The sessions will provide you with an introduction to your child's teacher, along with an overview of classroom and curriculum expectations. Teachers will have two presentations, with a brief Q&A session: the first at 7:00 and the second at 7:30. **Please note, questions are to be related to curriculum matters. If you have questions regarding your individual child, kindly contact the teacher directly.**

Teachers will post their Curriculum Night Google Meet link in their Google Classroom. This link can be used to access the Curriculum Night Virtual Meet. Please ensure that your child has joined their Google Classroom as soon as possible so that on Curriculum Night you can access the posted Google Meet Link. If you have any questions on how to join the Google Classroom, please contact your child's teacher.

Itinerant subject teachers' (e.g. Physical Education, French, Italian, etc.) Curriculum Night Google Meet Link will also be posted in their own Google Classroom. Itinerant teachers will be hosting a live "drop in" for parents if there are any questions related to curriculum.
