Dear Parents and Guardians,

We are pleased to share with you the EQAO results for San Marco CES from the 2025-2026 school year, attached for your reference. Our students performed well, and we are proud of their achievements!

EQAO, or the Education Quality and Accountability Office, is a provincial assessment that evaluates students' skills in reading, writing, and mathematics at key points in their academic journey. These standardized tests provide valuable insights into our students' progress and help us measure how well we are meeting curriculum expectations.

The results achieved by our students reflect their dedication, hard work, and resilience. They also highlight the commitment of our staff to provide an enriching and supportive learning environment that enables each student to reach their fullest potential.

Please note that individual reports will be sent home with students in the coming weeks.

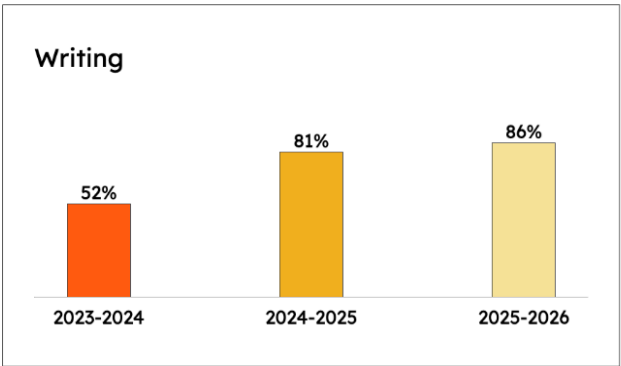

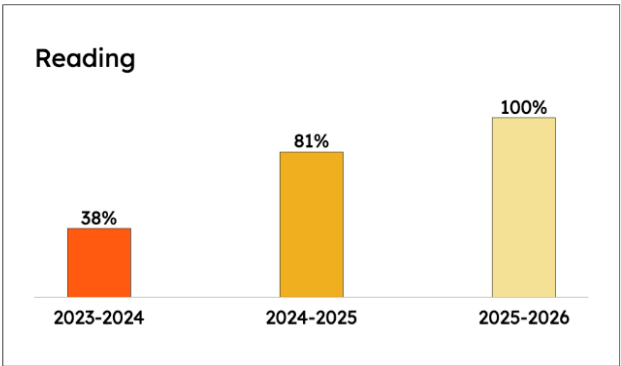

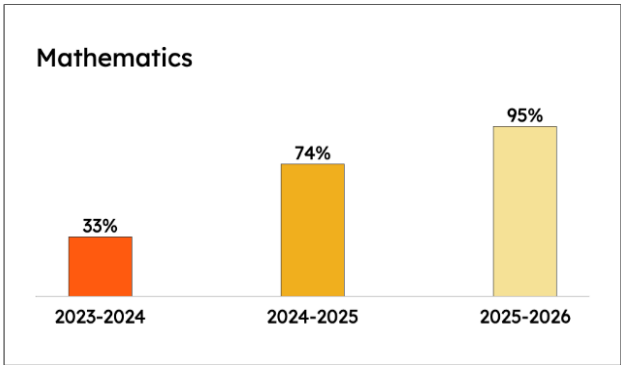

Thank you for your ongoing support of our students and our school. We look forward to continuing this journey together as we strive to provide the highest quality education for every child at San Marco CES

Yours in Catholic Education,

Z. Marchesini
Principal
