Thursday September 24th, 2026

Dear Parents/Guardians,

This year marks the **46th anniversary of the Terry Fox walk**. Terry Fox's dream was to run across Canada, to raise awareness for cancer. He is a true example of courage, determination, perseverance, and humility. These are traits that make Terry so inspirational, not only to Canadians, but to people all across the globe. Every year, San Marco CES participates in this event. On **Thursday October 1st**, classes will be invited to participate in the **SMO Terry Fox Walk**.

This year, classes from Grades 1-8 **will walk together** in the afternoon at approximately 1:00 pm in our school community (see map below). Students in grade 4-8 will walk the loop twice, and students in grade 1-3 will walk the loop once. Our FDK students will be walking with their teachers, ECE's and staff on the school grounds .

On Thursday October 1st, we invite all students to wear **red and white or a Canada t-shirt** in honour of our Canadian hero, Terry Fox.

Please note, should it rain on Thursday October 1st, *the rain date for this event is Friday October 2nd.*

Families are asked to make a donation to our school's fundraising page

<https://schools.terryfox.ca/SanMarcoCSWoodbridge>. All monies raised will be donated to the Terry Fox Foundation.

Together we can make a difference!

Sincerely,

The Terry Fox Committee
